

Summer Camp Scholarships 2019

- ✓ Are you interested in attending a Summer Camp/Program?
- ✓ Have you participated in any GYG community service projects? (i.e. Garbage pick-up, Thanksgiving meals, Middle School Dance, Jr. Leadership)
- ✓ Are you a Gallatin Gateway community member?

If you answered **YES** to **all** of the above, you can apply for a **GYG Summer Camp Scholarship** to the camp of your choice. This is NOT a needs-based award. This is based upon the student's service to the community.

To apply:

1. Choose a program/camp you would like to attend.
2. Contact the organization/camp to get the registration information and application.
3. Submit the GYG scholarship application along with the required essay or artistic expression (see application for details) by March 29th.

Awards:

The Grant Committee will consider all requests for applicants from Gateway that have contributed to GYG through service hours. Scholarships up to 100% of the program cost, not to exceed \$200 per applicant may be awarded. All awards are subject to fund availability. **Applications are due by Friday, March 29th and scholarship recipients will be notified mid-April.**
